

FEBRUARY 17, 2020

ASOHOM PHOTO CLUB

# GOALS

- Learn different photo techniques
- Take better photos
- Share knowledge with members of the club

# COMPOSITION

- Rule of thirds
- Leading lines/geometric shapes
- Framing the shot
- Determining the focus point
- Using light

# CATEGORIES OF PHOTOGRAPHY

- Portraiture (individuals & groups)
- Landscape
- Street

# QUIZ

1.What is the best element for making a good photographer?

- a. An advanced degree in fine arts (e.g., painting, photography
- b. Lots of expensive camera equipment
- c. A creative mind and imagination, an eye for detail, and patience
- d. Having a good friend who takes photos

# QUIZ

1. What is the best element for making a good photographer?

- a. An advanced degree in fine arts (e.g., painting, photography)
- b. Lots of expensive camera equipment
- c. A creative mind and imagination, an eye for detail, and patience
- d. Having a good friend who takes photos

# QUIZ

## 2. What is “bokeh?”

- a. An attractive arrangement of flowers
- b. The distance between the camera body and the end of the lens
- c. A chemical used in developing acetate film
- d. A pleasingly blurry background in a photograph that helps emphasize an in-focus subject

# QUIZ

- a. An attractive arrangement of flowers
- b. The distance between the camera body and the end of the lens
- c. A chemical used in developing acetate film
- d. A pleasingly blurry background in a photograph that helps emphasize an in-focus subject

# QUIZ

3. What is the “exposure triangle?”

- a. A geometric device used to measure the angle at which you snap your photograph
- b. The combination of aperture, shutter speed, and ISO that allows you to obtain correct exposure of a photograph
- c. A darkroom technique used in days of film cameras whereby film was cut into triangles, developed in chemicals, and then reassembled to make the photograph
- d. An area in the Atlantic Ocean where cameras have been known to disappear mysteriously from travelers' handbags

# QUIZ

3. What is the “exposure triangle?”

- a. A geometric device used to measure the angle at which you snap your photograph
- b. The combination of aperture, shutter speed, and ISO that allows you to obtain correct exposure of a photograph
- c. A darkroom technique used in days of film cameras whereby film was cut into triangles, developed in chemicals, and then reassembled to make the photograph
- d. An area in the Atlantic Ocean where cameras have been known to disappear mysteriously from travelers' handbags

# QUIZ

4. What is the “golden hour?”

- a. The hour after sunrise and before sunset
- b. The hour before sunrise and after sunset
- c. 12 noon
- d. The time at which the Golden Stool descended from heaven and created Asanteman

# QUIZ

4. What is the “golden hour?”

- a. The hour after sunrise and before sunset
- b. The hour before sunrise and after sunset
- c. 12 noon
- d. The time at which the Golden Stool descended from heaven and created Asanteman

# QUIZ

5. What can we do to correct for a photo that is too dark?

- a. Open up the aperture on the camera to make it wider
- b. Reduce the shutter speed
- c. Increase the ISO
- d. All of the above
- e. None of the above

# QUIZ

5. What can we do to correct for a photo that is too dark?

- a. Open up the aperture on the camera to make it wider
- b. Reduce the shutter speed
- c. Increase the ISO
- d. All of the above
- e. None of the above

# RULE OF THIRDS

**Imagine Photo As Grid**

**Place Subject On Grid  
Line**

**Can Be Horizontal  
Or Vertical Grid Line**

HARBOUR HOUSE

ATM  
Shopping Centre  
Toilets  
Restaurants  
Information Kiosk

5\*PADI  
DIVE  
CENTRE  
BIG 5  
OCEAN  
SAFARI  
BOAT  
ADVENTURE  
RIDE  
MADAGAL  
SEAL

CULTURE

WE ARE PROUD  
OF OUR MLG

# LEADING LINES / SHAPE

**Lines & Geometric Shapes  
Can Lead the Viewer Through the Photograph**

# FRAMING THE SHOT

Try placing the subject  
between  
two less-important things

# DETERMINING FOCUS POINT

Focus on what's important  
to draw attention

# PORTRAITURE

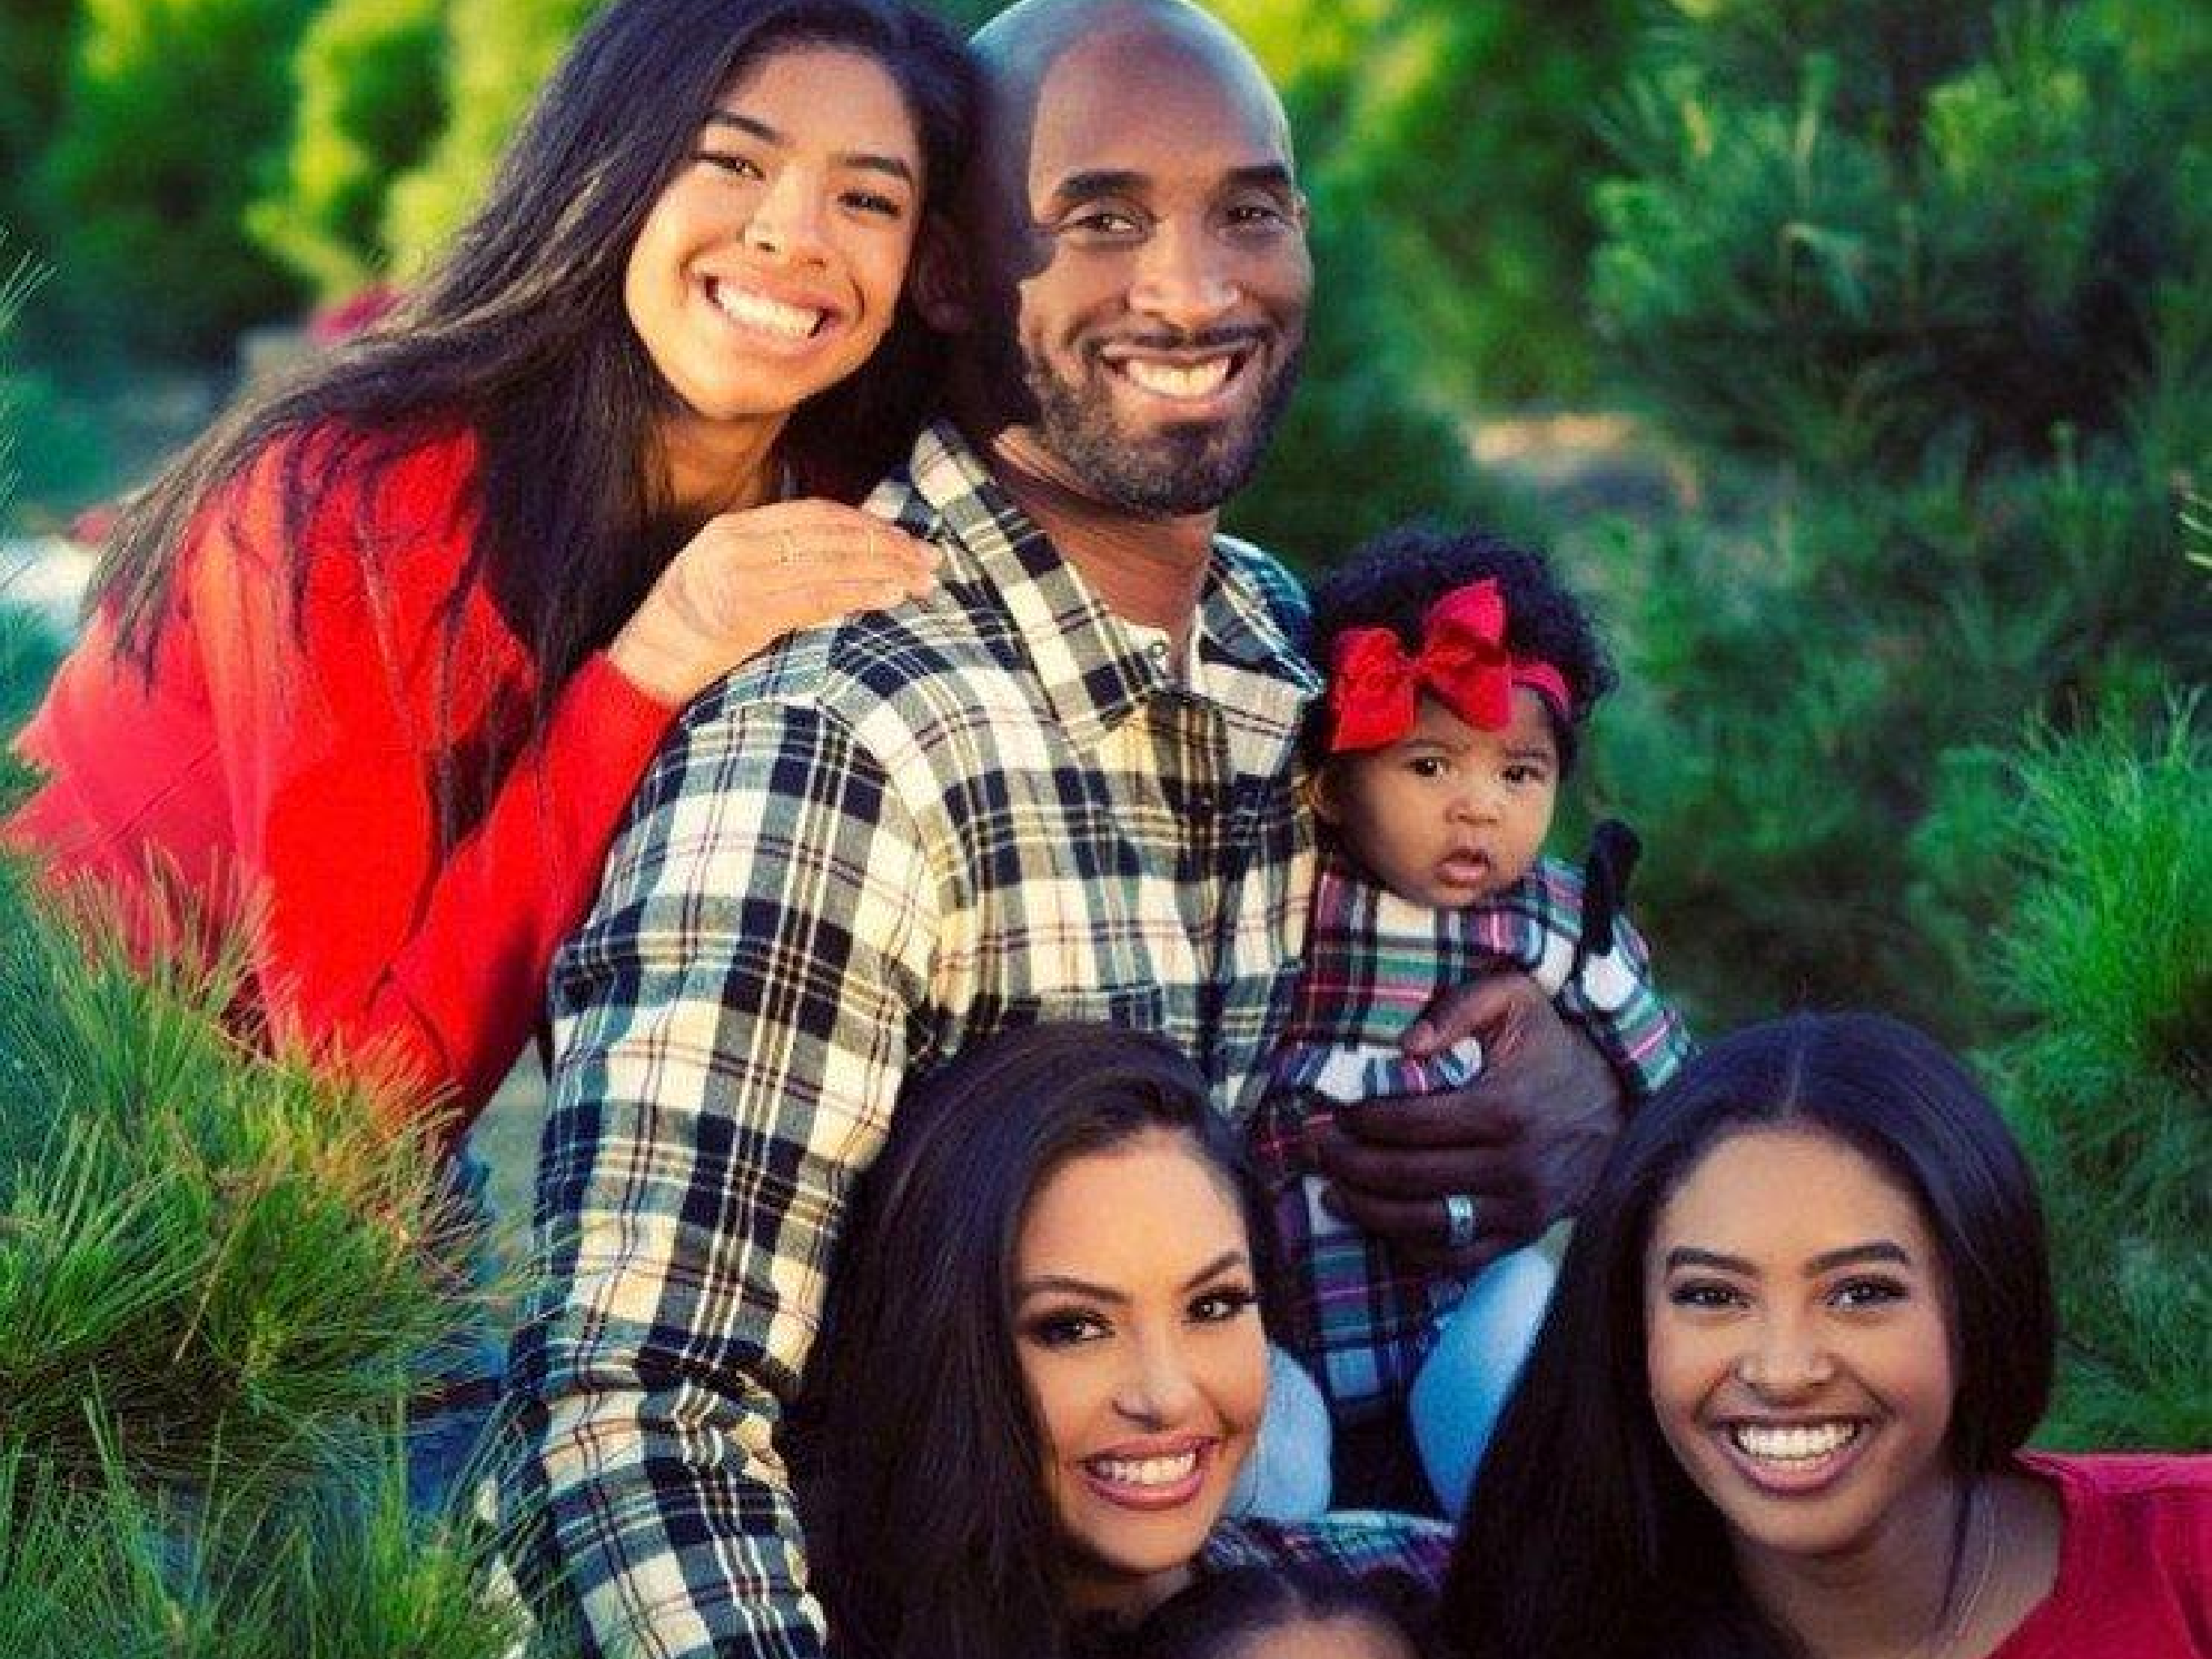

# LANDSCAPE

**Don't forget the people!**

# STREET PHOTOGRAPHY

IF IT'S RED, SHOOT IT
